Report of Principal and School Improvement Council

The 2013-2014 school term has been marked by high achievement and award winning accomplishments for Stono Park Elementary. An ongoing goal for us is to duplicate and maintain high levels of success. Our approach by design is making standards-based teaching the top priority. Moving more students to proficient and advanced levels, literacy improvement and teacher quality have been our other key themes.

Stono Park staff continues to grow professionally to refine their teaching practices. The faculty participates in Teacher Curriculum Team meetings, monthly faculty meetings and professional development sessions. Standards-based instruction delivered by high performing teachers serves as the foundation of our core work. In 2013, the school earned an Absolute Rating of Good. Stono Park also met ESEA objectives in 2013 with an overall grade of "A". Under the Elementary and Secondary Education Act, Stono Park received the designation of Title I Reward School for Performance, being among the highest performing Title I schools in a given year.

Early literacy instruction and intervention was a focus for this academic year. The continuation of the Primary Grades Academy along with Read Well, a research-based reading program allows Stono Park to provide a solid foundation for early reading success. We have also instituted various programs to promote a focus on literacy as well as teaching and learning. The 25 Book Campaign, Drop Everything & Read schedule, MAP Masters, Positive Referrals and a Monthly Character Education Award encourage our boys and girls to strive for excellence. There is a quarterly school-wide writing exercise and daily targeted assistance from certified support personnel offering students instruction at their respective levels.

Our students participate in school-wide Book of the Month units, instructional field trips and computer-assisted instructional programs. We have a Pre-School club that is innovative in promoting literacy and supporting parents. A fresh fruit and vegetable grant helps us to encourage healthy living and choices with a daily snack option to students as well as a garden which students help to cultivate.

We engage our families and the school community in the educational process every chance we get! An annual Meet the Teacher/Open House night, quarterly parent newsletters, weekly preview sheets, PTA meetings, ParentLink calls and an Annual Reading Celebration all contribute to building strong partnerships. We look forward to establishing new alliances with business partners and volunteers.

At Stono Park Elementary, we believe that it is our charge to develop students who are prepared to compete in a global society. We will continue to focus on providing a safe and caring learning environment where academic excellence is the standard.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	93.8
Overall Grade Conversion	A

70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
